Medicare Prescription Drug Coverage

We have been unable to reach you by phone to let you know about changes in your prescription drug coverage. Starting January 1, 2006, your prescriptions will be covered by a Medicare Prescription Drug Plan. Information on these plans will be included in the **Medicare & You Handbook** you will get this month.

Because you receive Medicaid, you have been enrolled in a Medicare Prescription Drug Plan. If you want to be in another plan, you can switch plans starting November 15.

You can use the enclosed Comparison Guide to help you choose a drug plan that meets your needs. You'll need to write down the names and other information of all the prescription drugs you take now. Ask your pharmacist or doctor if you need help to fill out the form. You should then compare the medications on your list to the ones covered by the drug plans and pick a plan that meets your needs.

We can help you compare the drug plans. We'd like for you to be our guest for *lunch/dinner* and information at:

*Brunet's Cajun Restaurant
135 S. Flannery Road
Baton Rouge, La. 70816*

on *Monday, November 28, 2005 at 5 pm*. You may bring someone with you. Please call me at *225/922-3127* by *November 21* to discuss these changes and to let me know whether or not we can expect you and your guest. I look forward to hearing from you soon.

Sincerely,

Marsha Smith
